PART III DAILY PROCEEDINGS

MINUTES OF THE SIXTEENTH SESSION OF THE RHODESIA ANNUAL CONFERENCE

First Day, Sunday, August 15th, 1954.

The sixteenth Session of the Rhodesia Annual Conference of the Methodist Church convened at Old Umtali, Southern Rhodesia on Sunday, August 15th, 1954.

Conference Retreat: Conference began in a spirit of devotion and Christian fellowship on our Sunday morning of retreat,

Our theme for the day was a consideration of the thought that the way we live is determined by what we believe. In the morning service this theme was presented in three messages: Bishop Booth spoke on the theological basis of the theme. His message showed us that we have a holy, loving and righteous Heavenly Father and we therefore must be holy, loving and righteous people. A Biblical study of the theme was given by Mr. Culver. Mr. Stine then led us in a personal and devotional consideration of the theme.

The Conference members then divided into groups for study, discussion, and prayer on this thought. The morning was concluded in a service of testimony and song.

All Conference members felt the retreat brought us close together in spiritual fellowship at the opening of the week and that we would therefore have greater unity throughout the Conference.

Opening and Dedication of Sakubva Methodist Christian Centre: The new Hall adjoining the Hilltop Church was opened by The Honorable Prime Minister of Southern Rhodesia, Mr. R. S. Garfield Todd, at 2:15 p.m.

Bishop Booth conducted the service of dedication. The congregation numbered at least 2,000 people. He spoke on the uses of the building in the work of the Centre and emphasised the necessity of consecration to the most vital things in the programme of activities on the part of the staff and people.

Communion: The Communion Service was held at the Ehnes Memorial Church at 7.30 p.m. and was conducted by Bishop Booth who, assisted by several Elders, administered the Sacrament of the Lord's Supper. The Bishop spoke on the subject of, "Living with God."

Second Day, Monday, 16th August.

Devotions: 8.30 a.m. Bishop Booth conducted the devotions. After singing a hymn he spoke on the subject, "Listening to God" using the text, "Be still and know that I am God". The Board of Education met throughout the day as a Board and in Committees. In the evening the assigned Committees met.

Third Day, Tuesday, 17th August.

Devotions: The Conference was called to order at 8.30 a.m. by Bishop Booth who conducted the Devotions. After prayer the double male quartet sang, "Shall I crucify my Savior?" The Bishop used the text, "I know that Thou hearest me always". He spoke on the subject, "Talking with God". He said it is important to express ourselves, but we must realize to whom we are speaking. We are not speaking to a shop keeper listing

our wants, nor to a doctor giving our complaints; nor to a reluctant Chief trying to persuade him to our will; we are not talking to an unknowing stranger telling him all that is going on; nor to an employer seeking a change in our working conditions.

Some people express themselves in music or in painting; we all express ourselves in our actions - with our gifts.

God is always listening - with the Psalmist, we cannot get away from God. There is never a time when God does not listen to us. What is the time to listen to God? Always.

May we be always talking; God is always listening. What does he hear? Hymn No. 489, "He Leadeth Me", was sung.

Roll Call: The Secretaries called the Roll. The members, Missionaries, Approved Supply Pastors and Lay Delegates present are marked "p" on the Conference Roll.

Introductions, Presentations and Greetings: Greetings were read by the Secretary from Norway Conference, Wisconsin Conference, Dr. Ralph Dodge, and the Bishop presented greetings from: Rev. and Mrs. Hassing; Misses Hanson, Hervold, Whitney, Parmenter, Litchfield, Sawyer; Mr. and Dr. Palmgren, Council of Bishops, Miss S. L. MacKinnon, Dr. J. Matthews, Dr. E. Smith, National W. S. C. S. Convention at Milwaukee, Bishop Springer and the following conferences, Kansas, Central Kansas, Angola, Central Congo, Southern Congo, Southeast Africa.

It was requested by the conference that greetings be sent to those noted above.

Presentations: Mrs. Booth was presented to the Conference by H. Griffin.

Fraternal Delegates: The fraternal delegates from the Methodist Synod, Rev. H. J. Lawrence, Rev. Fred Rea, Rev. Shadrach Ushewokunze, and Sister Dorothy Teare, were welcomed and Rev. Lawrence brought the greetings from the Synod.

Excused: The following were excused from attending the Conference, Jonah Chitombo, and John Jijita.

Closing Devotions: The closing devotions were conducted by Rev. H. J. Lawrence. A lesson was read from St. John 15:1-11. "I am the true vine." It is our business to be in close fellowship with Christ that we are used by the Holy Spirit in the work of spreading the Gospel. Be thou a faithful dispenser of the Word of God. Receive the Holy Spirit. Christianity has been called Materialistic. We must find a balance by finding that they are both one. When we are one with the Christ we bear fruit.

Adjournment: After the benediction the Conference adjourned at 12:30 p. m.

Fourth Day, Wednesday August 18th.

Devotions: Conference was called to order at 8:30 a. m. After singing hymn No. 551 "What a Friend We Have in Jesus", Bishop Booth spoke on "Fellowship with God". "I am in the Father and the Father in me". He said that Jesus maintained fellowship with God in the following ways: First, his contact with God was never broken. Second, he chose the way to be with God, "I must be about my Father's business". Third, he worked hard to maintain his fellowship by overcoming temptation and seeking through prayer. Fourth, to him fellowship was not a special favor, but it provided the opportunity "to be". Fifth, the personality and that of God came into living

fellowship.

That close fellowship that was produced as a result of the mountain transfiguration came from the love and fire from within. There was no place to rest his head, there were sweaty drops of blood on his face, there was the cross. The fathers of old in Africa thought they could go and buy a fetish and that that would make it all right and they would be protected and be in fellowship with the spirits. And we think there is some easy way in Christianity to be in fellowship with God. There is no way except the way of Jesus. Then there is the glory of being in fellowship, not just of having something however wonderful that will be, but of being with God. That is what Jesus is telling us. When the active outreach of God meets the chosen response of his child then the Father who dwells in us can do His work and in His world and in our lives shall be peace. And what Jesus realized he expects of us. The double quartet sang, "The Lord is My Shepherd".

Division of the Elisabethville Area: Bishop Booth presented a statement on the division of the Area for consideration of the Conference as forwarded from the Executive Committee of the Central Conference. After discussion and on motion the delegates to the last Central Conference were constituted as a committee with the addition of M. E. Culver to submit a report and recommendation to the Conference on Saturday morning.

Recess: The Conference went to recess at 10:00 a. m. and reconvened at 10:30 a. m.

Christian Convention: The report of the northern section was read by K. Choto and the southern was read by M. Chiza. After referring the various items of the report to the appropriate committees the report was accepted and the nominations for officers were confirmed.

Conference Treasurer: A. R. Boucher read the report which on motion was approved.

Statistician: H. Griffin gave the statistical report which after discussion was adopted.

Literature and Stewardship: Miss B. Reitz read the report.

Closing Devotions: Miss Grace Otto conducted the devotions. Mrs. Boucher and Mr. Culver sang a duet, "I Will Lift Up Mine Eyes". Miss Otto spoke on the text, "He who soweth sparingly shall also reap sparingly. Freely as ye have received freely give". She told the story of the little girl whose name was Neitche, who gave her highly prized doll when others were not prepared to assist with their money. As a result those who previously were unwilling to give gave very generously, helping

in the work of the God.

Adjournment: Conference adjourned with a Benediction at 12:30 p. m.

Fifth Day, Thursday, August 19th

Devotions: Conference was called to order at 8:30 a. m. by Bishop Booth. After prayer he spoke on the text, "Beloved now are we the children of God". He said we need to feel as God feels. Our fellowship is with the Father. However there are many things that destroy that fellowship which are often centered in our emotions. These are not the way God feels. Fear of the future, sickness and death, anger destroys and reveals the destruction within the soul, worry which disqualifies us to meet the emergencies of life, hatred that which flares up against another and deceit which devastates the soul. False pride which goes before a downfall. Stubbornness which is not a real conviction makes it impossible to understand others and destroys the fellowship. If we want to live with God we must learn to feel as God feels and keep His will which perfects the word of God in us. Hope, love, peace, trust, these are the emotions of God.

Literature and Stewardship cont'd: The report of the previous session was continued and after discussion it was accepted.

Rukwadzano Rwe Wadzimai: Mrs. K. Choto read the report of the northern section and Mrs. M. Mparutsa read the report of the southern section. After consideration the reports were adopted and the officers nominated were elected.

African Missionary Society: P. Gurupira read the report, which was adopted.

of Lay Activities and the Committee on Finance.

Board of Education: E. Chieza read the report of the the first section of committee on Schools, which, after discussion and amendments was adopted.

Closing Devotions: After announcements John Nduna conducted the devotions. Mrs. Mhlanga sang a solo, "Unoziwa here Hama". He spoke on the text, Matthew 28. 16 - 20, and said we need to remind ourselves of our call and that we have been sent by Jesus out into a world that is filled with evil. In that world He moved with a spirit of mercy and committed to His followers the proclaiming of his message. We are a part of his twelve disciples having been chosen and sent by Christ. Ngoma No. 252, was sung, "Ngatiyende wadikani".

Adjournment: The Conference adjourned with the Benediction at 12. 30 p. m.

Sixth Day, Friday 20th, August

Devotions: The Conference was called to order by Bishop Booth at 8:30 a. m. Hymn No. 348 was sung, "Take My Life and Let it Be". Bishop Booth spoke on "Willing With God". "Not my will but Thine be done". He said that it was in Gethsemane that we understand what the will of God really means. It was there that Jesus understood people, knew his mission and God and the purpose for which he was sent. We see Jesus in all his goodness, understanding and power. There was no other way for him and he knew it was the will of his Father. Sometimes our will speaks so loud that we think it is the will of God.

How can we know God's will? First, the will of God is in harmony with the character of God. Second, we may discover in group decision the will of God. Third, the will of God always looks out to others, and not in to self. If we discover the solution to our small problems we will have no difficulty in deciding the large ones. The will of God is related to every phase of life.

The Conference Octette sang, "O Jesus I have Promised".

Journal: J. S. Wreford reported on the minutes for Sunday, Monday, Tuesday and Wednesday and after corrections these were adopted as a true record of the proceedings of those days.

Board of Education, Cont'd: A panel was held with six people taking part on Religious Education. The phases of the work in relationship to the total work of the Conference was discussed and an excellent presentation was made. After the reading of the report it was received and adopted.

The report of Home and Community Life was continued and a special committee on "lobolo" presented a report which was read by E. J. Aeschliman. After discussion it was agreed that a meeting be held in the evening for African ministers and delegates for the purpose of discussing lobolo.

Closing Devotions: The closing devotions were conducted by J.S. Wreford. A trio sang, "Be Still My Soul". After prayer Mr. Wreford read Col. 2:6. "As ye therefore have received the Lord Jesus so walk therein." Christ as the light of the world is essential to life. Jesus came to show us the ways of the Father and we are expected to "walk worthy of our calling". Unless we abide close to Christ we will not have strength to live the life of love. This life of love means to love one another, our enemies, the unlovely, to show sacrificial consideration of others, to keep our thoughts in line with nature, to bridle our tongues, which is a dangerous member of the body, and to have complete trust in Him to supply all our needs. We must not walk in the vanity of mind. After singing the hymn, No. 361, "Walk in the light", Conference adjourned at 12:30 p. m.

Seventh Day, Saturday 21st August

Devotions: The Conference was called to order at 8.30 a.m. by Bishop Booth. After prayer the Conference Octette sang, "When You Know Him", and the Bishop spoke on the subject of "Dwelling With God". God dwelleth in us" He said that God only dwells in us when we love one another, are given over to his spirit and are in constant living fellowship with Him. The three steps in the relationship of the disciples with God 1) being with God forever which means we must invite him into the home of our soul. 2) He must dwell in us which is the inner action of our will with His. 3) He will be with us which is a constant recognition of oneness, physical closeness is not what makes us dwell together and physical distance cannot separate us. We dwell together when our hearts are one. Hymn No. 525, "Still With Thee O My God" was sung.

Order of the Day: The committee appointed last year on Incorporating the Conference under question two of the disciplinary questions presented a report. This was read by R.C. Gates. Mr. T. Afternoon and Evening Sessions: On motion of H. Griffin it was ordered that, there be an afternoon session starting at 2 p.m. and an evening session starting at 7 p. m.

Closing Devotions: The closing devotions were conducted by C. M. Miller. A duet was sung by Mesdames Mansure and Choto. C. Miller read the text Phil. 2:5 and spoke on the subject of witnessing to the good news. In presenting the subject he used the illustration of David and Absalom. Absalom had disregarded his father and finally came to such a strained relationship that he opposed his father with arms. As a result he was killed and when the news was brought to David the first messenger who informed him was not aware of the death of the son, although he had seen the crowd about the place where Absalom died. It was the second messenger who brought the news. In the confusion of life and the impressiveness of spectacular things it is easy to substitute these things for the message itself. We must not only tell people about the Christian ethic but we must proclaim the good news of Christ. Hymn No. 28, "For the Beauty of the Earth" was sung and the Conference closed with a Benediction at 12:20.

Saturday Afternoon

1. As shown in the report of the Conference Treasurer, the amount in the Ministers' Pension Fund on July 26, 1954, was £6,453. 19. 1.

2. We call attention to sections 247 and 248 of our Central Conference Discipline, which provide that after he has

become sixty years old a ministerial member of the Annual Conference may if he chooses ask the Conference to retire him with a pension, and that he must retire at the first Annual Conference after he becomes seventy years old.

3. A record of the ages of our ministers has been complet-

ed by the committee appointed last year, and we thus can state the year in which each man may retire if he chooses and the year in which he finally must retire at the age of seventy. We shall supply this information to the Bishop, the Conference Secretary, the Cabinet, the Board of Ministerial Training, the Field Committee's Committee on Conference Farms, the Conference Archives, and all our ministers.

4. We request the Board of Ministerial Training to secure in this and every year in the future the date of birth of all new ministers entering our Annual Conference on trial, and to transmit every year to the Board of Conference Claimants and also to those mentioned in item No. 3 of this report the dates of birth and the dates of expected future retirement.

5. We request the Field Committee to make a definite and permanent plan to provide on our Conference Farms retirement sites for those of our ministerial members of the Annual Conference who request them. We shall provide to the Field Committee a statement as to the farms preferred by our ministers and the expected dates of retirement. New ministers who enter our Conference in this and future years and who wish retirement sites should at least five years before their retirement forward their preferences to the Field Committee through their District Superintendents.

6. The following payments have been made to our retired ministers and widows from August 1, 1953 to July 26, 1954; Mrs. Isaiah Darikwa £16. 2. 6

Thomas Kamusono	5. 5. 0

We recommend that payments be continued to each of these at the rate of £1. 10. per quarter.

BOARD OF EDUCATION

Religious Education

1. We wish to express our appreciation to the Religious Education workers for their fine work in the Maranke-Chiduku and Mtoko Districts. Seeing the great value of this work, we urge that the District Superintendents meet with their pastors to secure religious education workers for their area.

2. We recommend that as a Conference, we lay greater stress on the use of our Sunday School materials and make wider distribution by sale, trying to get the people to realize the value of Sunday School paper.

3. We wish to express a word of appreciation to the writers of the Sunday School lessons for the type of material which is being published, and ask that, for the preparation of the Junior lessons, a replacement be made for Miss Grace Otto, who is going on furlough.

4. A subcommittee was elected to work with a subcommittee of the Curriculum Committee on the preparation of a scheme for our Bible classes, to be used in our schools.

H. Griffin (Chairman)
Mrs. M. E. Culver (ex-officio)
O. Musingwini
P. Nyamukapa
Mrs. W. Gazeley

5. We gratefully accept the offer of Miss Grace Otto to secure pictures and children's story books to be used in our Conference.

6. We refer the request to the Publications Committee that a study be made from the Synod and other Mission bodies as to suitable story books for small children.

7. We also ask Mr. E. L. Sells to present to the S. R. Missionary Conference the need for suitable story books with a spiritual and moral tone for small children.

8. It was recommended that a children's story book with a spiritual and a character - building emphasis be prepared by a committee composed of Mrs. Culver, Nancy Ngonyama and Morgan Johnson, in conjunction with the Publications Committee.

9. We recommend that each Quarterly Conference secure the small card entitled "Cinyi Methodist", to be distributed to the congregation on Wesley Sunday. (12 for 1d., Literature Sec., O.U.) This we also request that this message be printed on membership cards.

10. It was recommended to re-emphasize the religious education training program so that each one who graduates from Methodist schools, C. P., T.T. Nurses Training or J. C., goes out with some religious education training and some expectation of carrying out the training which he has received.

We also recommend that those already teaching be helped and encouraged to assist in the religious education program of the schools where they are teaching.

11. We accept gladly the proposal of the Joint Committee on Religious Education to have a Conference of representatives of Religious Education workers of the five Conferences in our Area to prepare more effective material in the religious education work of each Conference. We strongly urge that definite plans for this Conference be completed.

12. It was recommended that each minister take a copy of "Stewardship Posters" to explain and teach to his people, and that he secure copies for those in his congregations who bring him money for the poster.

13. It was voted to ask the Church Calendar Secretary to set aside one Sunday each quarter to teach stewardship.

14. We accept the report of the Executive Secretary and the Panel report to be presented on the Conference floor, and are most grateful for the achievements made this year in our religious education work.

Schools Committee

1. That married students be accepted with, or without their families, subject to their passing the entrance tests, but would encourage them to come with their wives.

Those coming alone will enter, and conform to rules, as any ordinary student, J. C. & T. T.

Those coming with their families will be recognised as Day Students. Housing will be arranged by the student unless it be available on the basis of rental or other arrangement.

Further

2. That the Conference seek to make available for girls a one year Post T. T. Course for teaching of Industrial Subjects.

3. That we request the Government Education Department to put teaching methods into their Industrial Courses so as to make teaching in Std. 4, 5, 6, more effective.

4. That the Chief Education Inspector be requested to issue a Circular Minute regarding the responsibility of teachers in the different departments to the Inspectors of different types of work.

5. (to be referred to the Central Advisory Board)

a. That we request the Joint Missionary Conference to protest against the ruling that teachers with two qualifications are paid only for one.

b. That the Central Advisory Board request from the Government Education Department an establishing grant for new industrial equipment needed in Central Primary outstation schools, to enable more

new schools of this type to be opened soon.

6. We recommend that, in the Conference Area, boys may be considered for an apprenticeship for difference trades and work on an adjusted salary scale and that the committee which has already been appointed by the Field Committee be responsible for making plans whereby such boys may receive this training.

Members of this Committee are:

L. Blomquist, Chairman

W. Kinyon

I. Jansen

E. Sukuma

B. Smalley

7. That the following Policy, governing the employment of teachers be accepted by the Conference.

Policy Governing the employment of teachers

Duties of teachers.

1. All matters concerned with the successful conduct of the schools are the responsibility of teachers at all times, and it is the duty of Head teachers to organize and co-ordinate such activities.

2. A teacher should co-operate, where possible, with all development work for the improvement of his school area, as approved by his missionary superintendent.

Leave

Leave may be granted at the discretion of the Superintendent, in accordance with the Government regulations but teachers are entitled to holidays totaling a minimum of one

month a year. Absence without leave will be unpaid.

Resignations.

Resignations may take place only at the end of a term with a minimum of one month's notice expiring at the end of any term.

Transfers.

Transfers from one mission to another may not take place except after due notice, expiring at the end of any term.

Salaries

Teachers will be paid the amount laid down in the currently effective Government Salary Schedule.

Inefficiency or neglect on the part of a teacher may result in his non-recommendation for succeeding increments and/or the withholding of Head teacher's allowance.

Dismissal.

A teacher may be dismissed immediately at any time for misconduct and salary will be paid only up to the date of dismissal.

Houses and Land

Every teacher, when leaving a school, is required to hand over to his successor in good condition, the houses which have been occupied by him and the land. The mission will attempt, where possible, to see that land is made available for teachers' use but can in no way guarantee the availability of such land. Where land is given it must be properly farmed and rotated.

Time devoted to the work of the Church.

Every teacher is considered a Pastor Teacher and is expected to give himself wholly to

the work of Church in pastoral, educational, and other work as needed in the community in which he serves. The teacher is encouraged to give at least one hour a day to private study and reading.

Institutes

All teachers are expected to attend all Institutes and other called meetings as arranged by the Superintendent.

Disciplinary Period

A disciplinary period for immorality and other matters of a serious nature as may be fixed by the Methodist Church will be strictly adhered to, and no teacher can be received back in church membership before at least a period of one year, and no teacher will be re-employed until his church membership has been restored. We endeavour to employ only those teachers who give evidence of Christian character.

Use of intoxicating liquor and tobacco.

We do not permit our teachers to use intoxicating liquor or to use tobacco in any form.

Publications Committee

The following reports are in accordance with the recommendations of last year:

1. Supplies of Pfumvu ye Kumwa kune Simba have been distributed in towns and mining Centres under the direction of the sub-committee of the Literature Committee of the Field Comm.

2. In regards to the recom-

mendation that the section in the Discipline that deals with Church Administration be put into Cishona, the Comm. feels that in its entirety this is impractical financially, but asks the Question: Is a condensed form of any value? If so, a publication could possibly be considered.

3. Nineteen boxes of literature have been distributed to clinics, and three to jails in the past year.

4. Appreciation is expressed to those who made an enthusiastic response to the Jubilee Celebrations of the British and Foreign Bible Society.

5. A complete revision of the Ngoma has been made and is now on the Press. Our appreciation is extended to Mrs. Murphree for her labours in this greatly needed work.

We also make the following reports and recommendations:

1. That the Umbowo be used more freely throughout as Evangelistic literature and creating of a spiritual fellowship. We express our appreciation of the higher class of literature being received for publication in the Umbowo.

2. That we go more extensively into the publication of religious materials for children, and invite those interested to submit manuscripts of this nature for consideration to the Publication Committee.

3. A report which will be presented in full to the SR MC at Goromonzi by Mr. Sells,

in regards to a joint publishing committee of the various denominations within the territories of the Federation, was received and it is our recommendation that our Conf. participate in such an undertaking.

4. Press Report:

2. Tucece (3,000 supplementary edition).

3. Church Membership Records.

6. Umbowo.

7. Tucece (10,000 edition)

8. Swiss Mission Quarterly.

Curriculum

In regard to Shona readers Mr. Griffin reported that the Department is making plans to have new textbooks in 1957 for Sub. A, Sub. B, and Standard One. These books will be written in three dialects, Chimanyika, Chizezuru, and Chikaranga, and each school

will use the local dialect. Students in standard 2, 3, 4, 5 and 6 will have reading books in CiShona.

There should be uniformity in Bible schemes in all of our standards. We recommend that Miss Lois Pfaff, Mr. Marima and Miss Nyika be appointed to serve with the committee from the religious Education committee to prepare these Bible schemes, for use starting in 1957, or before if possible.

We recommend that our representative to the Central Advisory Board call attention to the fact that there is a discrepancy in the boys' and girls' industrial marks. For 200 points the boys have only agriculture and carpentry while the girls have agriculture, cookery, laundry, and needlework for the same 200 points. Since agriculture is a coeducational subject the marking should be the same. This places the three domestic science subjects in positions of less credit and has resulted in less effort in some cases.

If the Government fails to prepare a syllabus for music, we suggest a committee be appointed to make a scheme for teaching music.

We recommend that a committee be appointed to consider the problem of sex education and that they prepare suitable literature to be used by ministers, teachers, looking toward the introduction of sex education into the training schools and eventually into the schools. For this committee we suggest Mr. and Mrs. Culver Mr.

and Mrs. Nyamukapa, Mrs. Chiza, Dr. Nutting and Miss Whitney.

Home and Community Life

1. It was recommended that Mr. Smalley consult with interested members from Nyadiri, Mtoko and Mrewa areas and make a further study of the problem of marketing produce in Salisbury with the view of bringing in specific recommendations at next Conference.

2. We again strongly recommend that the people of the community be urged to co-operate in building schools.

3. We urge that Christians should be instructed in making wills in order to avoid trouble in the time of death.

4. We request the Conference to appoint a committee to study forms of weddings (including place of wedding, etc) for people who have committed adultery.

5. We recommend that ministers take special care to teach young and old that a Christian marriage takes place when a man and woman make their promise to each other "in the presence of God" before a Christian minister, and that any feast or other celebration which may follow is not part of the actual marriage.

6. We urge our pastors, teachers, church and MYF leaders to encourage and train our young people to be less extravagant in their wedding celebrations.

Youth and M. Y. F.

The following recommendations were passed:

1. That since the M. Y. F. Constitution provides for an Adult Councillor who should be carefully chosen by the Minister or District Superintendent or Quarterly Conference, the Committee did not feel that it was necessary for a mother and father to act as councillors as suggested by the African Christian Convention. It was emphasized that the Adult Councillors should be persons of strong Christian character.

2. That the new M. Y. F. President, Lazarus Mandizha, and the new Youth Counsellor of the Conference, take the place of L. Chikukwa and G. Otto on the Committee which was elected last year to plan and organize the five year Training Program for M.Y.F. leaders.

3. That M. Y. F. leaders establish M. Y. F. groups in the Churches at Salisbury and Honde as requested by S. Chizea and J. Nduna.

4. That S. Kananda be the M. Y. F. Umbowo Correspondent in the North and B. Rugayo be the Umbowo Correspondant in the South.

5. That it be the policy for the President to pin the M. Y. F. badges on the boys and the Secretary pin the badges on the girls if she is a girl. Other wise by a girl officer appointed to do so by the Pres.

6. That M. Y. F. ers who are married continue their interest in M. Y. F. by being Counsellors and by helping where ever possible. M. Y.F. is for the Youth of the Church. However, in places where Youth are not yet prepared to take the leadership, married people may do so at the present, looking to the day when we have more M.Y.F. ers capable of leadership throughout the Conference.

7. That the term of office for the Conf. Officers shall be two years. In case of re-election the minimum number of years of term of service shall be four years. If an officer becomes married during his or her term of office he or she shall fulfill his term of office but would not be eligible for re - election. It is felt that the organization will be stronger if the whole slate of officers is not changed at one time, rather that two be elected each year. This means that one year the Pres. and Sec. would be elected for two year period. The next the Vice Pres. and the Treas. would be elected for a two year period. In order to put this system into operation, this year the four officers were elected. The Pres. and Sec. will hold office for two years. The Vice Pres. and Treas. will serve until next yr. A new Vice-Pres. and Sec. will be elected, and the system will be established.

8. That in regard to young people who are not Methodists attending our M. Y. F. we would like to make it clear that

we welcome all young people to attend our services, but as they are not Methodists they would not, of course, become members of the M. Y. F.

9. That we welcome the Rel. Educ. Workers to take an active part in the M. Y. F. work, and have appreciated their keen interest and help.

10. That two young people be responsible to go out into the villages to organize, strengthen, and encourage the M. Y. F. groups. Mr. E. Kawadza was elected to be in charge of the Northern Section, and Mr. N. Chiwara in charge of the Southern Section.

11. That a very definite challenge be put before our Young People of the Methodist Church to see the vision of full time Christian Service. We pray that The Spirit of God shall move upon our Youth and open their eyes to win others to Salvation in Jesus Christ. The needs are tremendous. The Preachers cannot do the work single handed... The M. Y. F. ers are needed to help spread the Gospel of Christ. It was suggested that the Program Committee of the M. Y. F. plan a service to send out to all the groups urging them to commit their time, talents and energies to Christian service.

12. That District M. Y. F. Institutes be held in all the areas so that groups of M. Y. F. ers can join together for fellowship and worship. Such meetings can serve to deepen the local M. Y. F. s.

13. That special M. Y. F. meetings be held at the Camp

Mtg.s whereby the Young people can be won to Christ and dedicate their lives to His Service.

14. That as G. Otto is leaving on Furlough, C. M. Miller be the M. Y. F. Youth Counsellor of the Conference.

15. The Following are the new Conf. Officers for M. Y. F. Pres. Lazarus Mandizha. Vice-Pres. Eben Kawadza, Secretary Norah Katsande, Treas. Edward Nyambawaro. Programme, M. Ball, Chieza, and Chiwara.

Evangelism

1. The Committee is opposed to the use of Sunday as a day for football, racing, tennis, boxing, etc., and in particular deplores the participation in such sports by our Christian people. We find that in some cases Church Leaders organize and play these games on Sunday and that many Church members stay away from Church services to attend these sports. We urge our people to remember the Sabbath Day to keep it Holy. We recommend: (a) That our Urban Pastors present this matter to their minister's fraternal groups to try to get a united approach to this problem. (b) That there be more preaching and teaching on the keeping of the Sabbath. (c) That efforts be made to see whether sports can be organized on Saturdays or other week days so that Christian people can take part in them and not be tempted to violate the Sabbath Day. (d) That we discourage our Christian people from washing and ironing

clothes on Sundays, but to do this kind of work on Saturdays.

2. We recommend that the matter of taking the Gospel to our near neighbours and the ones at Inyanga, Darwin, and Pfungwe, be referred to Mr. Murphree, Mr. Culver, the District and Assistant Superintendents and Mr. Gates, to bring us word at next Conf. of what can be done.

3. Stewardship Pastors. We move that every Pastor be urged to make every possible use of the Stewardship Posters.

4. We are thankful to a Committee appointed by the Conference for writing a book for Preparatory Membership. We request that the book be used throughout the Conference.

5. We recommend the use of more Laymen in the services of the Church. We also recommend a Layman's Sunday in Church Calendar.

6. We recommend that we do not employ teachers who do not accept and keep the rules of our Church. We urge that they are not employed to teach in our Schools.

7. Committee on Bible Institutes for Women.

We appreciate the help of of teachers, ministers, and their wives, nurses and missionaries who have taught in our Bible Institutes throughout the Conference and the Wadzimai are looking forward to your help in the future.

The Wadzimai at first thought that Bible Schools were a trouble, but now we find they are food for our souls, and we all are crying for the Bible.

Because Mrs. Stine is soon leaving on furlough we asked to

have the names of Mrs. Miller, Miss Deyo, and Mrs. Murphree added to the Bible Institute Committee. This was approved by the Evangelism Committee.

The following are dates set so far as possible for Bible Institutes during this coming year. 1955

March—Old Umtali and Umtali at Old Umtali.

April—Nyakatsapa and Mukwarara.

May—Mtoko.

June—Mrewa and Salisbury.

June—Headlands.

July—Mutambara, Zimunya, and Maranke.

Sept.—Honde.

Sept.—Penhalonga and Mundenda.

Oct.—Gandanzara, Chiduku, Muziti, and Rukweza.

8. We recommend to the Methodist Council that they consider the request of the Shona Speaking group in Bulawayo and that they send a Shona speaking preacher to be on the staff of the Synod there to shepherd them.

session of the Annual Conference, **unanimously approved** the adoption of the following Salary Scale for Travelling Ministry of the Rhodesia Annual Conference, said scale to become effective on January 1st 1955, and recommends it to the Annual Conference session for final and official approval.

**Board of Ministerial Training
Qualifications, Training and
Relations**

1. In regard to questions L&G under number 1 of the 1953 Journal: It is recommended that the Theological School faculty arrange for the Graduation exercises of the Theological school to take place at the time of the Annual Conference, and graduates may be recommended for admission on trial into the Annual Conference at the same session in which they are graduated from the Seminary.

Under F of number 1 in the 1953 Journal where it states, "Then he will be placed in the Conference Course of study, consisting of four courses, each of which will ordinarily require years of study." Should be corrected to read - two years of study. Under H of the same number where it reads, "Approved pastor" the word supply should be inserted so it reads, "Approved supply pastors. Under K of the same number National Junior certificate should be included.

2. a) It is recommended that the Theological Seminary be designated as the Hartzell Theological Seminary and its program and policy is under the direction of the Board of Min-

isterial Training.

b) The Hunter building of the Hartzell Theological Seminary shall be the permanent religious training center of the Conference for pastoral training, conference evangelism, religious education, the training of lay leadership, and extension service throughout the Conference.

3. The Board thinks it would be impractical for the Theological Seminary faculty to give a two year preparatory course for candidates but urges them to secure a N. J. C. or U. J. C. The school would cooperate in the matter of housing for those who might apply for admission to Secondary school.

4. It is recommended that Marshall Murphree be accepted On Trail and that the statement from Bishop Raines that he has satisfactorily answered the Disciplinary questions be accepted. However, according to the Discipline we cannot grant him Orders under the Seminary rule.

5. We recommend that Davison Cikosi be given Supernumerary relations for one year.

6. We recommend that Solomon Zuze; Nason Dikanefua and David Chinogurei be Admitted On Trail and placed in Studies of the Third year.

7. We recommend the following as Approved Supply pastors: Nason Ndidzano, Maxem Mutambanengwe, Martin Nyagura, Elisha Mvududu, William Karamonzondo, Amon Kanyenze, Obadiah Manjengwe, Henry Mafunga, Enoch Maku-

to, Jothan Risinamudzi, Moses Hunadzarira, Jonah Dangirwa, Joseph Makuto, Joel Gwara, Gilbert Raabopa, Joshua Chirikutsi, D. M. Katsidzira, Leonard Kasambira, Philemon Duba, Joshua Mutsago, Paul Mavisa and Silas Chitiyo.

8. We recommend that L. E. Adkins under appointment with another Missionary Society be continued without annuity claim.

D. L. Sherertz having been received into full connection in the Virginia Annual Conference, we recommend, as a courtesy to Bishop Garber and the Virginia Conference, that Mr. Sherertz be given the privilege of answering the disciplinary questions in the presence of the Rhodesia Conference.

9. It is recommended that all courses of study, as authorized under item 15, page 144 of the 1953 Journal, be printed in the Conference Journal for 1954.

10. We recommend that Mr. Murphree be authorized to organize and conduct training classes for local preachers in cooperation with the district superintendent.

Temperance

1. With much gratitude, we adopt the report of the Committee in charge of the competition which was held this year. Compositions were written about the evils of liquor. It reads as follows:

Report to the Temperance Committee.

We have completed the Temperance essay contest and have determined the winners. Prizes are as follows:

Seminary, 1st Prize, £2. Elijah Chimbanga, 2 No award given 3rd, 10/- Samuel Muzulu.

Total Prize money £8 - 10 - 0 Mr. Kinyon has promised £2 Miss Ball is willing to make a liberal contribution. Rev. Aeschliman has also agreed to contribute. Other missionaries might be approached.

It was the hope of the committee that these people could be notified in time to have them at conference and called forward to receive their Prizes. The committee also expressed the hope that the prize winning papers might be published in booklet form either mimeographed or printed. Miss Ball is willing to help if they are to be mimeographed. Since the paper of Mr. Chimbanga seemed the best of all it was hoped that this could be printed in the Umbowo and given other public attention

The Committee thanks the Temperance Committee for choosing them for this assignment, as it has proven an interesting project. We also have the earnest hope that those who wrote the papers will be strong in their witness against the evils of strong drink. Mr. J. Machiri, Rev. O. Musingwini, Miss M. Ball.

2. We accept with thanks Miss Ball's offer to mimeograph the prize winning papers.

3. It was voted that next

year we hold two more competitions in the higher Standards of our schools:- one in which compositions about the evils of tobacco are written and the other in which drawings about the evils of liquor are made. We ask that the same committee, plus Daniel Kasambira act next year, that they make the rules, inform the Dist. Supts. about the competitions, receive and judge the papers and posters. These should be addressed to Miss Marcia Ball, African Girls' Hostel, Umtali.

4. It was voted that we appeal to the Conference for donations for prizes totalling up to around £8. We ask any Church that wishes to contribute to prizes to do so, and the money be sent to the Secretary Miss Wildermuth, who will make the awards.

5. It was agreed (a) That we again ask Dr. Nutting to prepare a booklet on temperance. (b) That we continue to include a lesson on it each quarter within the Sunday School lessons, and (c) that we again ask the Umbowo Committee to continue to use the space allotted for a temperance column in the Umbowo.

6. It was voted that we ask that temperance Commitment Sunday continue to be appointed on the Church calendar for the third Sunday in November and Miss B. Rietz be responsible for distributing material including Clean Life Pledge cards to Pastors previous to this date for their use. If there were ministers who sold the booklet last November, as one said he did, please send the money to Miss B. Rietz.

B. Report of Commissions**1. Worship and Music**

1. We recommend that the Curriculum Committee of the Board of Education be asked to consider the introduction into the school program of a properly planned course in the tonic sol-fa, this to begin in the lower classes. We realize all teachers are not necessarily music teachers, but the work could be arranged by the teachers in each school.

2. We, as the Commission on Worship and Music, want to express for ourselves and for every member of the Conference our gratitude and thanks for the work in revising our Ngoma done by Mai Murphree, and also for her splendid work in preparing the choir pieces.

3. We recommend that the committee composed of Dr. Sherertz, convenor, Miss Lois Pfaff, Mrs. Martin Chiza, Mr. Enoch Chieza, be continued, and also that all friends interested in preparing worship materials for use in the family co operate by sending in items which they think suitable.

4. a) We rejoice in the increased interest on part of the missionaries in learning Shona, and using it in worship opportunities.

b) Our deep concern for the improvement of the quality of worship services leads us to urge the more careful and reverent reading of the Vernacular Bible. We urge that the speed used by the leader of responsive readings be suited to the congregation, not being so fast as to rule out a large part of those present. Also, that the pastor

ahead of time invite the best possible reader to lead the congregation in the responses.

c) We should like to discourage the interspersing of English words and phrases in Shona sermons.

d) We recommend the use of vernacular songs in church choir numbers wherever possible.

e) We are happy that during the Pastors' School time is set aside for the study of worship. We urge that the pastors who attend the School give prayerful consideration to ways in which our services throughout the Conference may be made more worshipful. The pastor is the leader of the worship service and he should at all times remain sensitive to the presence of the spirit of worship and discourage any elements which may detract from that sense of worship. All prayers, songs, and testimonies should not be for the glory of the person speaking but for the glory of God.

5. We ask that a committee composed of J. Machiri, Chairman, L. Mandizha, D. L. Sherertz, Mrs. Mparutsa, Enoch Munjoma, and Abel Muzorewa, be set up by our Rhodesia Annual Conference to consider plans for administering the John T. Taylor Memorial Bell Fund; this committee to have power to act with the approval of the Field Committee.

The MYF books were not available for audit.

2 Finance

1. We recommend that those Societies which are collecting and saving funds should express in their reports to the conference the objectives for which funds are being saved, and that where funds are being accumulated and the work is already in progress those funds should be sent and spent for that work immediately, we believe in the principle of using funds given for Christian work rather than letting them lie idle. We also

feel that people would be encouraged to give more if they knew their gifts were working.

2. We do not approve of items 4 and 5 of the Africa Christian Convention (Northern Section) in regard to the common pool for salaries of ministers and evangelists but do not object if any District wishes to adopt this scheme.

3. We recommend that we ask the Field Committee to contribute £40. for the cost of the Conference Minutes.

Literature Stewardship

The year has seen the Secretary visiting fewer stations than she had hoped to visit, with the Stewardship message and the selling of books. The new car recently bought will she hopes, enable her to carry on with this work more effectively, since it is easier to handle. The high point of visitation was in Salisbury,

where there were ten days of reaching old friends and new in homes, hospitals and at weddings. It was her privilege also to give the Stewardship message to the women of St Andrews' Church, an opportunity she had long had in mind.

While it is useful for the Secretary to get into the various congregations it is vastly more important that the ministers and local preachers get under the responsibility of spreading the message of Joyful and Systematic Giving themselves. To that end she has prepared a set of four posters, together with notes that should be helpful to those using them in preparing their messages. These are on sale at 6d per set, and it is hoped that every church will have a lot of these posters, to be used not only in the initial Stewardship services, but later in M. Y. F. groups, Rukwadzano, Wabvui and Sunday school Groups. Children and young people should be encouraged to attempt making original charts on similar subjects. The set provides for one chart a quarter. If the program Committee should set aside a Sunday a quarter for the presentation of these themes, there should be some encouraging growth in the matter of giving.

There was a heartening response to the call for participants in the Bible Week Contest. Forty-nine children sent in contributions.

There were three groups to receive prizes: Standards V and VI, who sent in their work in English, Standard III and IV in Shona, and Standard I

and II in Shona. The prizes to be awarded are as follows: First, Willas Makombe, Old Umtali, a leather English Bible. Second prize, Mujuta Mukundu, Mutambara, a leatherette Bible.

Standards III and IV, First prize, Wallace Neganje, Rukweza School, Leatherette Bible; Second prize, Magic Chafanzo, Rukweza, School, Chimanyika Testament.

Standard I and II, First prize Hardwork Kapswara, Mandiambira School, Chimanyika Testament; Second prize, Never Chingwizura, Chiduku School, Nyaya dzeBebura Kare.

Special prize is awarded to Beulah Gasseler, Nyadiri, for an original song, Chimanyika Testament. Also special mention to Rosemary Chikata, who illustrated in colour the story of the Good Shepherd, and to all contestants from Mutambara for their original decorations on all essays.

Among the new materials printed this year is a new card of references to be used in times of various kinds of need, the Wabvuwi Hand Book at 3d, each, and Daily Light for the last half of the year, which sells for 1/3 per copy.

The small card giving John Wesley's definition of a Methodist has been printed in a 10,000 edition and can sell at 12 for 1d. It should be put into the hands of every member of the church, and it is hoped that on Wesley Day each church will have a special sermon on that theme.

The uncertainty of the future orthography to be used makes it difficult to push the printing

of any larger book, and we trust that matter may be settled in the near future, so we may move forward.

It is encouraging to see how the interest in literature is growing, and particularly in regard to children's books. We look forward to a new day in providing interesting literature for the young folk.

H. B. Rietz

Committee on Interdenominational Relations

Rev. Rea reported on the need for a Christian Social Centre in Salisbury on the lines of the Centre in Umtali. He felt that a joint project could be undertaken by the two branches of Methodism in that city. This committee showed interest in the project and commends it to the interest of the Conference and the Methodist Council.

The committee recommends that the Conference should appoint a person to work in liaison with Mr. Rea on this project.

Medical Activities

A new opportunity has come to our medical work at Nyadiri which we would like to grasp as we carry out the hospital expansion program. The Government in its recent effort to control and treat Tuberculosis among the Africans, has offered to give 100% of cost in medicines and food for these cases, and treatment centers are very much needed. In view of this need it was recommended that we establish a separate unit for tuberculosis care as a part of the present expansion program and that an asking be made through the re-

gular channels for this purpose.

It was also recommended that we extend our Nursing School course to four years in 1955 or 1956. The fourth year to include six to nine months midwifery leading to a nursing certificate in this branch and some special Public Health nursing. This would include some practical experience at Mutambara and Old Umtali Maternity as well as some in the District clinics, providing such practice can be supervised by a qualified midwife.

It was agreed that we should raise our entrance requirements to take only Secondary School graduates in Nursing School by 1957. Looking forward to a course that would lead to a full recognition by the Medical Council equal to that of European nurses in the future.

Medical Missions Association was formed for the first time in Rhodesia last year and at the first meeting fifteen mission Doctors were present. The purpose was to discuss mutual problems and to act as an official body to approach the government on medical policy.

Babyfold Sunday was observed in some of our churches, with special programs explaining work at Nyadiri and Old Umtali as carried on by the two babyfolds. We appreciate very much the gifts that were given, as well as gifts from Rukwadzano South and several other groups. We hope that in the coming year Miss Whitney may be able to make the survey as mentioned last year on babies and older children who have gone out from our baby folds in the past.

On January 20th, three clinics were opened as hospitals extension work in Nyadiri district and staffed by a full time African nurse. The salary of the nurse at Chikwizo was taken over by the African Missionary Society and Rukwadzano.

The new Mother Hughes Maternity at Mutambara is nearing completion and we hope to occupy it by the end of October. Clinic work in the district has doubled in the last year and work at the center has increased so that we now have five African nurses.

The Clinical and Maternity work at Old Umtali has been carried on very effectively during the past year, mostly under the supervision of one of the graduates of our Nursing School.

The Conference Health Education Program has been greatly curtailed this year, as we have had to help carry on the Maternity and Clinic work at Old Umtali, because of the furloughs of three of our missionary nurses.

But the Health Team have made visits to twelve of the rural church centers, teaching health classes, mostly for three day periods, showing filmstrips for two or three evenings, and staying on for a health Sunday. The attendance at classes has varied from 18 to 74. A few men have attended too. In four places we've had separate classes for the men with an attendance of from 4 to 36. The filmstrips teach health, hygiene, agriculture--so closely related to the needed

nutrition ideas and about family life in various lands and religious pictures.

At Old Umtali health classes are continuing in some of the schools, the Rukwadzano groups and for three evenings a class for men and women.

The Government Health Department has done extensive spraying of houses this year in their campaign to lessen the occurrence and dangers of malaria. So we have cooperated with them in spraying both at Mutamara and Old Umtali. another way of cooperating was helping their health demonstrators put on a three day Health Classes.

There is a growing recognition of the dangers of tuberculosis, because of the increase of this sickness here in Rhodesia. Committee working for the Prevention of Tuberculosis has been formed in Umtali, with a beginning emphasis of teaching about its cause and prevention. We have helped in this work teaching in Sakubva schools and in other places. This kind of work must grow in order to meet this very important health need.

We continue to stress the need to learn and then do something about taking better care of our physical bodies that God gave us. This includes using the right kinds of food to make our bodies strong, various methods of preventing sickness and the need to work more for positive health; not only for our physical bodies, but also good mental and spiritual health of the whole person,

Memoirs

Mary Chimbadzwa was born at Old Umtali Mission and attended School from sub-standards through teacher training here.

After completing her T. T. Course she went to teach at Mutambara for three years. Then she went to Mc Cord Zulu Hospital for nursing Course for four years. There she completed her studies with high record and was awarded the diplomas: one in Surgery and one in Midwifery.

After returning from Mc-Cord Hospital she was employed by the Government working at the hospital in Bulawayo for one year, and then was transferred to Salisbury General Hospital. Here she served only six months when her unexpected death occurred.

To Rev. and Mrs. Chimbadzwa and their relatives we tender our deepest sympathy.

Resolutions

For the second year our Conference sessions have been opened by a day of Retreat, challenging us to reconsider our Christian beliefs. For this day of meditation, discussion and the inspiration received in the service of Holy Communion we express our gratitude. The flowers and special music have better prepared our minds and hearts to receive the devotional meditations each day and our appreciation is given to those responsible.

It has been a pleasure to have Bishop and Mrs. Booth with us to guide and counsel. We have felt anew the pres-

ence of God as his meditations opened our hearts to accept the deeper meaning of Living with God.

Our gratitude is also expressed to our Fraternal delegates from the Synod, and other visitors who were with us. It is a pleasure to welcome Rev. H. J. Lawrence, chairman of the Synod, into our fellowship and to receive his words regarding our future relationship. It was also good to have Mr. Herbert Carter with us representing SRMC and we thank him for his presentation of the forthcoming conference.

Our special appreciation is to Miss Charlotte Taylor and other on the secretarial staff for their many hours of work.

To the people of Old Umtali, who have so graciously received and entertained us, to those who presented and most unusual and interesting Conference Reception, we give our thanks.

Throughout our time together, we continue to praise God for His care and Abiding Presence.

Urban Areas

1. It was suggested that a well trained African woman be found for work at the Social Centre.

2. It was moved and passed that the Chairman of the Urban Areas Committee and Miss deVries approach the proper authorities regarding our Church taking over the control and management of the Tendai Training Centre.

3. It was recommended that Mr. Aeschliman approach Mr.

Gardner on the matter of forming a school council of missionaries and parents.

4. Resolution of the Salisbury Church Committee.

(1) We recommend that gifts for Salisbury Church be given twice per year as follows; a. On Harvesting Festival Sunday, b. The last Sunday in November. We request that both of these special times for giving to the Salisbury Church be recorded on the church Calendar. We ask also that in 1955 All Harvest Festival Gifts go to the Salisbury Church Fund. We suggest that people should be discouraged from giving money with holes (pennies) and give sound money. After a serious talk the committee of thirteen people gave £100. for the building fund. We thank God for the spirit shown in this meeting.

2. We suggest the idea of selling the Salisbury Church in units to the Churches in our Conferences. By this we mean that different Churches take the responsibility for building different parts of our Salisbury Church. We recommend that the following people make a definite plan that will be carried out this idea. Mr. Culver, Mr. Nyamukapa, and Mr. Titus Maranke.

(3) We recommend that an appeal be made by the following to organizations:

Rukwadzano-Mrs. Murphree and Mr. J. Makuto.
MYF - Miss Nora Katsande and Mr. E. Chieza.
Wabvui - Mr. Maranke and Mr. E. Munjoma,

African Missionary Society Mr. M. Chiza and Mr. Chitiyo.

(4) We recommend that Mr. Culver continue as a Chairman of this Committee and Mr. Nyamukapa serve as assistant.

5. In the light of the proposed development at Muradzikwa, a letter has been written informing the government that we wish to retain our site there.

6. Methods were discussed for reaching the Portuguese speaking people in Urban areas. Mass and personal evangelism were suggested under the leadership of those who are also members of our Church.

7. The possibilities for securing a site for a small Chapel at Sakubva should be investigated.

Student Loans and Scholarships

1. After discussion of the proposal of the Field Committee to have a separate student loan committee and a scholarship committee "it was voted" to accept the proposals that the Conference committee be the Student Loan Committee, that it consist of six members, and that it meet together with the Scholarship Committee of the Field Committee once a year and then at Conference time.

2. It was agreed to nominate the following people to serve on the Student Loan Committee; E. Chieza, chairman H. Wildermuht secretary; the Conference Treasurer, J. Rugayo; O. Musingwini, and L. Pfaff. It was suggested in the Field Committee proposal that

this committee be elected by Conference.

Regarding scholarships;

1. For 1954 scholarships were granted to and used by Jonathan M'hlanza to complete his N. P. H. at Waddilove, by John W. Chikosi, Elliot Musumbi, Bondon Ruwodo and Nathan Masedza to begin their N.P.H. at Waddilove and by Irine Mashingaidze and Lorniah Borerwe to take the one year Domestic Science Course at Goromonzi. Also, Samuel Tsapotsa was granted a scholarship to go to Fort Hare.

2. The following people have reapplied for scholarships for 1955; J. Chikosi, E. Musumbi, B. Ruwodo, and N. Masedza.

3. The Scholarship Fund contains about £130.

4. Ransom Choto has applied for a scholarship to enter Rhodesia University College in Southern Rhodesia in 1956. Robbie Mupawose has written a letter of application to enter the same University, then Lovemore Mutambanengwe has written a letter applying for a scholarship to study for a degree overseas. The secretary advised him to study for his degree at Fort Hare or Rhodesian University College preferably the latter.

Regarding Student Loans;

1. It was reported that 25 students received student loans in 1954 and that £217 were spent. The report of the Conference Treasurer shows that £231 - 2 - 8 remained in the Student Loan Fund on July 26th.

2. It was reported that Student Loan Sunday was observed in some places. Mtoko

sent the Conference Treasurer £4; Nyadiri, £20-9-3; Old Umatali Center £7-10-2; and Chikore Tanda, 5/6. Other places gave nothing. Why? Were offerings received and the money kept in the church treasury? Was the money not sent on to the Conference Treasurer.

3. Last Conference time, Bishop Booth offered to match the offering received on Student Loan Sunday. The total amount was £32-5-0. Again, we thank him for his offer.

4. It was reported that 36 applications or letters of application for Student Loans have been received to date. If all of these applications are accepted £355 will be needed. We shall need about £125 more in the fund by next January.

5. It was agreed to ask the the Church Calendar Committee to continue to name the first Sunday of November as Student Loan Sunday and to urge the ministers to cooperate in observing it.

6. It was agreed: a) to have the list of those who owe student loans, mimeographed and distributed at Conference; b) to ask the district superintendents, principals, head teachers and others who employ any of them to report it to the secretary, Miss Wildermuth, before the end of Conference, and c) to ask the employers, ministers, and all who know any or some of those on the list, to study it, and to contact them or to collect their student loans, as they can. We ask them to start now and to be sure to do it with those whose begin teaching in January, 1955.

Mrewa Mission, July 26, 1954

Conference Treasurer

E. Superintendent's Composite Report

In reading through Rev. H. I. Jame's book, *Missions In Rhodesia* and from various conference Journals, we realize as we gather here today for the sixteenth session of the Rhodesia Annual Conference, that ours is a goodly heritage. Before us have walked men and women of faith and courage who came with vision and purpose and fulfilled well their part in helping to build the Kingdom of God in Rhodesia. Upon us has fallen the responsibility of carrying on the work which from the beginning the Church set out to do. As the earlier accomplishments were brought about because men entrusted their lives to God and put their faith in Him, so we too must be strengthened by that source of power that comes through faith in Christ, if we are to fulfill our calling. Yes, there are still many complex problems that confront the

church today, but Christ is greater than all the difficulties that exist around us. If we exalt Christ, "we can be more than conquerors through Him who loved us."

Since last Conference we have had several visitors. Bishop and Mrs. John Wesley Lord, of the Boston Area, endeared themselves to our hearts by their wise council and friendly spirit as they traveled among us. It was a privilege to have Dr. James K. Matthews visit our Conference. His keen insight and knowledge of the world's mission problems brought to us a feeling we were talking to someone who understood our needs and knew how to help us. Dr. Donald F. Ebright of India, traveling with the RAVEMMCO team, took time out to spend a few days with us. His varied activities in India gives him an alertness to most every phase of missions. We would have welcomed a much longer stay from

both Dr. Matthews and Dr. Ebright. We have appreciated having other visitors who have shown an interest in our work.

A genuine Christian worker will make a contribution for good wherever he goes. It was a spirit of love for Christ that brought Miss Julia Titus and Miss Josephine Litchfield to Old Umtali. Their stay was a blessing to all with whom they worked. The latch string is on the outside for their return to Rhodesia.

During the past year several of our missionaries have gone home. It is our prayer that their furlough shall bring new strength and refreshment to their own lives as well as make new friends for the church of Christ in Africa. We welcome the return to the Field of those who have been away. They step in to continue their labors in the places left vacant by those whose furloughs have come due.

Perhaps we live too close to the work to have a proper perspective of our accomplishments or lack of accomplishment. Sometimes it appears we are like a squirrel in a cage, who runs all day on an exercise wheel but gets nowhere. On the other hand, we remember the testimonies of many as they have given witness to the new found joy experienced in accepting Christ as their Saviour. This, of course, is our main task, making Christ known to others. When this is done, whether it be in the school, in the hospital, through personal witnessing or mass evangelism we know our efforts are not in vain. "Some seed will fall upon good ground."

From the beginning the cry for school or church has been ringing in our ears. We still hear it today. In every district there are still untouched fields waiting for the Harvester. It seems our work could be doubled over night if we could take advantage of open opportunities in Mtoko, Fungwe, Chikore, Tanda, Inyanga, Marange and other places. Countless thousands are looking to our church for leadership, guidance and Salvation. This is a challenge for us to awaken to our full responsibility as Christian workers. May we not be weary in "well-doing" but, "work while it is yet day for the night cometh when no man can work".

One of the encouraging phases of the work in the Mtoko district is the large number of people who attend services, both at the Center and in the Reserve. The increasing population in the Mtoko township makes it imperative that we develop our new site at Nyamazwe as soon as possible. The growth of the Primary schools is indicated by Chitekwe, which the Inspector says is the largest in Rhodesia.

We are always glad to see people put up good buildings like we find at Chitimbe in the Nyadiri district. Their new school building with asbestos roof, steel windows and cement floor will challenge many other stations to do likewise. After many years of waiting the new parsonage at Chitimbe is about to be finished. It is a fine building and a credit to the circuit.

The farm program at Nyadiri is hindered by lack of funds, even so there have been many changes and improvements. New buildings include two cattle kraals a herder's house, chicken house, calf barn and a 4200 gallon water tank.

Improvements at the boy's Boarding have contributed towards a healthier and happier attitude among the boys. The new girls' dormitories are now nearing completion and should be ready for occupancy by the beginning of the third term this year.

Nyadiri has been without power for some months, however, the light plant has been ordered and it is hoped that the lights will soon be shining again. The drillers were to come several months ago to put down a new bore hole. From the surveys made, we have been led to believe this will solve one of their biggest needs and take care of the water problem for some time to come.

By a re-arrangement of rooms and buildings Washburn Memorial hospital has increased its beds from fifty to sixty-four. Yet, patients are sleeping on the floor, which speaks the need for the new hospital.

One important feature at Nyadiri is the opening of district dispensaries, two in Nyadiri and one in Mtoko. These are staffed by graduates of our Nurse's Training School. One clinic has admitted for treatment 2,646 patients since January 20th.

At Mrewa a District Conference was held in October. The main objectives were to

examine for License to preach, instruction in sermon preparation and to inspire the hearts of our ministers and Local preachers. The presence of the Holy Spirit was felt throughout the Conference. The heart searching devotional messages of Rev. Josiah Chimbadzwa were a blessing to all. Those present returned to their stations with a new sense of dedication to the work of the church.

The Holy week services were held in each local church rather than at one central place in the circuit. The results read like a chapter from the Acts of the Apostles. As fires were started all over the District to burn up the charms and fetishes of those who repented they were fanned into rivivals fires by the shouts of joy and victory. Attendance in some churches has doubled or even tripled. Many new class meetings have been started for the converts. At some Quarterly conferences sixty or more have been received on Probation, many were older people who had turned from heathenism to Christ. To God be all the glory and praise.

The work of the Headlands district has gone forward under the able leadership of Rev. Kenneth Choto, the assistant District Superintendent. His appointment to this work has made it possible for the Superintendent to devote time to other projects that in the past have been neglected.

The outstanding building accomplishment in the district has been a new parsonage at Arnoldine. At the Center new

steel windows and front doors have been put on the church. Bricks have been made for a new parsonage and a new staff house has been built.

The outstanding achievement of the Mtasa - Makoni district during this Conference year has been the progress made by the people toward financial independence in their church work. All expenses for the ministry and assessments, and all local church expenses were met by the Circuit treasurers from church offerings, except for the sum of thirty-six pounds, which came from America and was evenly distributed over the four outlying circuits. This has been a major accomplishment and the people deserve commendation for their effort in this task.

The assistant District Superintendent has traveled widely in leading our people, conducting meetings, holding Quarterly conferences, and promoting the general welfare of our work. This step in appointing an assistant Superintendent has been a valuable step forward in the development of our district work and is heartily appreciated by our people who have readily accepted the extra responsibility involved.

Many new churches and schools are being built, or planned throughout the district, and two have been dedicated. The Nyakatsapa congregation is starting on a major building program to include a large new church, two new school buildings and several teacher's houses in preparation for their

Central Primary school.

At Old Umtali large membership classes speak well for our ministry there. The church is being redecorated inside, and the African Church Hall has been completely renovated. New buildings nearing completion are Teacher Training and Girl's Boarding. Several fine African staff houses are rising along the main drive. The work there is progressing nicely centering circularly around the church.

The people of the Marange-Ciduku district seem to be awakened to the fact that they need the church as much as the school. Mandiambira, Mafarikwa and Cirinda are now building their churches. Maswaure will have dedicated their church before conference. At Mutsago fire destroyed the roof on one four room school building. A teacher's house has been roofed with asbestos. They plan to do the same on the school building.

The financial situation within the district is not very good. The people are paying their own ministers but have not gone beyond that in carrying their own expenses. The South circuit is too big and should be divided. The people will have to respond in a much better way financially if this is done.

Mutambara Central Primary has again been handicapped by a shortage of teachers. However, a full program has been carried on which makes its contribution to the total community. New buildings and improvements in the Location will do much toward bettering

the living conditions of the African staff as well as improving the appearance of the Mission. The ministry of healing is being carried on effectively both at the Center and in the outstation clinics. Four points are visited twice a month. Those needing physical attention assemble, and following devotions their physical needs are ministered unto.

In the many activities of the Mission the spiritual side has not been neglected. The Mutambara Reserve has been a specific concern for those on the Mission. Through pastoral visitation, further organization of class meetings, and the program of the Junior church the Christian concern has been expressed.

In the Mutambara district several buildings have been completed or are nearing completion. The structures include both churches and school buildings. Nyanyadzi is a planned site for further school development.

Many interesting developments have taken place in Umtali since the last report. There has continued to be a steady growth in all phases of the work. In the Main Street Church, the attendance at services has increased both morning and evening by one third. The Sunday School has more than doubled itself during the past year, and now has an enrolment of around 250 pupils. The women's Association has also increased its membership and raised 500 pounds to assist with Building Funds and Budget expenses. The Youth Club has stabilised its members

by having a fixed membership of 45. There are a large number on the waiting list to become members.

The teaching of scripture in the Government schools requires four mornings each week with 375 Methodist pupils being given regular instruction.

Among the many outstanding occasions during the year was the celebration on the first Sunday in July of the twenty-first anniversary of the appointment of the present minister to Umtali. The church building was crowded for both services.

The African Girls' Hostel is expanding its physical plant to better care for the 102 girls and four teachers living there. The emphasis on Evangelism and a personal witness continues to bear fruit. We have one Beginner and six Probationers, all the rest of the girls are full members of the Church. Their sense of responsibility in contributing to the Church has greatly increased in the last year.

During the past year our work in Sakubva Township, Umtali, centered in Hilltop Church, has carried on a wide range of activities. We feel that real progress is being made and that our church is increasingly becoming a center of spiritual and moral influence in the community.

The regular program of the Church has gone forward. The church sanctuary is overcrowded every Sunday. People sit in the aisles and also outside. We conduct a Junior church service at the time of the regular church service. Approximately

200 children attend that service. Four Sunday Schools are being conducted. Twenty Class Meetings for women and eighteen for men are conducted each week. Preaching services are being conducted in eight centers each Sunday. Eighteen cottage prayer meetings are conducted each Sunday evening. The MYF work, under the leadership of Mr. Enoch Chieza, is also very active.

The great event of the past year was the laying of the Corner Stone for our new Christian Centre by Bishop John Wesley Lord, on November 22nd. The Christian Centre is now practically completed and will be officially opened by the Prime Minister of Southern Rhodesia, the Honourable R.S. Garfield Todd, and dedicated by Bishop Newell S. Booth, on August 15th. Those who have seen the new Centre consider it the best hall of its kind in Rhodesia.

We feel that Hilltop Church, under the leadership of Rev. Josiah Chimbadzwa, is becoming a growing center for spiritual life in the whole community. We feel that the Holy Spirit is at work in our midst. We look forward with anticipation to a year of great work for Christ through our Hilltop Church and Christian Centre.

The work in Salisbury has grown with spirit and enthusiasm during the year. Congregations run from 400 to 1100, with seven or eight hundred a fair average. The people rejoice in having their own church. An assistant Pastor is greatly needed. In addition to the central church there are

a number of small groups who require pastoral oversight. The distances are great and the calls upon the minister are frequent and often urgent.

We continue to worship in the Nyasaland Presbyterian Church. The campaign inaugurated by our last Conference brought in £950 to date. Some churches and circuits have contributed generously. Others have given nothing. The goal is £7,700-, by effort, prayer, and faith, it is entirely possible to attain our goal. We go forward in this faith.

We wish every adult in our Conference could set aside ten days once a year to study the Bible and his home problems with other Christians; but it can only be done by their sending delegates to Institutes, and by those sent returning home with messages. This Conference year Miss Tubbs has had over 400 people enrolled in Institutes sent by 148 churches. There were many visitors. Hundreds of children have been taught memory verses by mothers and big sisters in the training classes in the Institutes. Mothers are seeing the need of leading the little ones to Jesus, and that they have more to give their family than just food and clothes. A Multitude of problems are discussed such as the plural wives, drink, economic problems, health and the care of the home.

The District Superintendents express their deepest appreciation for the work being done by the Conference Evangelist. The campaigns carried on in the various Circuits have been used of God to revive

many church members, reclaim back-sliders and lead many non-Christians to Christ. The campaigns have also been the means of training our Ministers and church workers in the art of Soul winning. Perhaps, this is their greatest contribution because in many places the people have been inspired to carry on until the real revival fires began.

More intensive local church work has been done by the Conference Church Extension team. They have concentrated their efforts on one church at a time. In this way many local and individual problems are solved that otherwise might have been passed over. This work has revealed the fact that there are a great many back-sliders living close to our churches but being entirely neglected by the church. We must show concern for those who were once within our gates but now have drifted away. The local church campaigns are a means of leading many of our school children to Christ. Children are taught the Bible and Christian songs; they are also shown the importance of accepting Christ while they are young.

The Pastor's school held at "Sunny Side" Lisnacloon meets a very urgent need among our ministers. They come home with their minds and notebooks filled with new sermons and new ideas which they can hardly wait to carry out. Their hearts have also been warmed and inspired until it carries over into the hearts of their people.

The bound Sunday School booklets coming out once or twice a year we feel is much better than under the old system. We thank the editors for this improvement. The work of the Press, Stewardship and Literature committees continues its neverending task of turning out good literature to meet the needs of our people.

Mrs. Murphree has worked long and hard on the revision of the Ngoma. It has now gone to press and we hope in a few months we will have enough song books to meet the demand of our Conference.

Each one of the Superintendents sent in words of praise and gratitude for the work that is being done by the Wabvui, the Rukwadzano and the MYF. Much of the material in this report is made possible because of the faithful work carried on by these workers who labour not for wordly gain but to glorify Christ and win others to Him.

One lamentable factor in this report which needs Conference wide attention, is the rapidly decreasing student body of our Theological School. We are beginning the construction of a large new building for Theological training, and have a highly trained faculty and a large library but to realize that this year we were able to enroll only one new student for this school, is an alarming fact. With our older ministers retiring in increasing numbers this points to a decreasing ministry to serve an increasing church population. We must be awake to this situation now. We are already late, and have

failed, at least in part, in our pledge of two years ago to enlarge our ministry rapidly.

One other lamentable factor is the lack of stewardship on the part of many of our people. Our ministers are underpaid, evangelists have to be dismissed, Sunday School literature lies unbought in some bookstore, and Conference assessments become a heavy burden because our people will not accept their responsibility of Christian Stewardship. Every effort needs to be put forth by this Conference, in the form of Stewardship campaigns, so that our people can see that, if they are to receive their full Christian graces, they must accept their full Christian obligation.

We have touched briefly upon the work of our Church this past year. There is much that makes us want to pause and give thanks to God. We are humbled by our own weakness when we realize the work that lies ahead. Our sincere prayer is that we may ever keep before us the supreme work of the church, which is bringing souls to the Lord Jesus Christ. May it never be said of the Rhodesia Annual Conference, "that we sowed but did not reap".

**The African Christian Convention
Northern Section**

The 26th Annual Section (the 3rd of the Northern Section) of the African Christian Convention of The Methodist Church was held at Chitimbe, July 15 - 18, 1954.

The Following Resolutions are presented to Conference:

1. We recommend that the importance of Student Loan Fund be strongly stressed and made known throughout our Conference since it is an essential contribution towards the education of our children.

2. We recommend that delegates to Annual Conference be elected according to their ability and knowledge of Church affairs and not because they know English. A knowledge of English is not necessary.

3. We recommend the lay delegates to Conference and District Superintendents sit together to consider the salary scale of the Ministers of this Conference.

Following the resolution by the Christian Convention on Ministers salary, a small group of men including two delegates to the Conference drew up the following statement;

1. No new Circuits are being opened owing to lack of finance. The Methodist Church has some areas where its activities should be extended as at Mukoya, Rusanbo, Katewera in the Northern Section of our work.

2. The Evangelistic urge is dying out owing to financial problems. For instance, the Nyadiri District has not a single Evangelist and former Evangelists that have been dismissed from our work have joined other denominations e.g. Mr. Timothy Chirimumimba, who served our Church for a long time has joined the Church of Christ.

3. Our young men are not joining the Ministry because there is no security. Some Ministers in some circuits go for many months without getting their monthly wages while other Circuits have enough money to pay their Ministers and Evangelists, and still have surplus money.

4. Thus in view of the above difficulties among others, we suggest that there should be a common pool in our Conference as a whole so that the surplus money can be used to assist those Circuits that are still unable to support themselves, and also to improve the salaries of our present Ministers and Evangelists.

Further, if this discussion is carried out, the Conference will be able to know in advance how many candidates it can train for the Ministry as well as Evangelists, knowing the source of their support.

5. If this system is carried out, this would be the pro-

cedure:-

(a) The Circuit Treasurers will collect the local funds.

(b) The District Treasurer would collect for each District as a unit.

(c) The Conference Treasurer would collect from each District for safe keeping.

(d) When the money is paid out to the workers, the Conference Treasurer will send to the District Treasurer who will distribute the money to each worker, namely the Minister or Evangelist.

4. We recommend that each local Church or District should hold an annual Church Membership Conference to discuss the affairs, rules, etc of our Church.

5. It is resolved that the Rukwadzano should refer to their Constitution which states that "any full member of the The Methodist Church can become a member of the Rukwadzano," in receiving new members into their organization. This clause should also be included in the constitution of the Wabvui when written.

6. We recommend that Ministers take special care to teach the young and old that a Christian marriage takes place when a man and a woman make their promises to each other" in the presence of God" before a Christian Minister, and that any feast or other celebration which may follow is not a part of the marriage. We also recommend that Ministers strongly discourage extravagance in connection with weddings, whether for clothing or for feasts.

7. We note that the Discip-

line provides pages 163 - 173, that" where possible there may be organized a Committee of Missions and Church extension to educate the members in the cause of Missions, and to promote local and foreign Missions, and to raise funds for extension service."

26th African Christian Convention held at Rukweza in the Chiduku Reserve on July 28-30, 1954.

This Convention was very well attended by delegates and people from the community. Over 300 persons attended.

Two guest speakers addressed the Convention. The Native Commissioner of Rusape spoke on "marriage". He answered questions regarding marriage laws, lobola, etc..

Mr. J.Z Sawanhu, M.P. spoke on "Federal Government" He answered many questions and made a fine contribution to the meeting.

Our Advisory members Rev. E. J. Aeschliman and Miss Marcia Ball took part in the discussions and made helpful suggestions.

The Convention passed The Following Resolutions to be presented to the Annual Conference-

1. We request the Confer-

ence to reconsider the matter of conducting an Industrial Course within the Conference Area. We consider this of great importance because of the growing demand for Vocational and Industrial Training.

2. We request that the section in the Discipline that deals with Church government be printed in Shona so as to enable our laymen to read it.

3. Last Conference 1953 appointed a Committee to study and report on Lobola, damages and related questions. Rev. E.J. Aeschliman read the report for the Southern Section.

4. We are of the opinion that a Committee on Wabvuwi Constitution from the Southern Section should meet with the Committee from the Northern Section and together draft the Wabvuwi Constitution.

5. We urge that our Christians be taught to make wills in order to avoid trouble at the time of death.

6. We ask the Conference to appoint a Committee to study forms of Wedding Ceremonies for people who have committed sins of adultery.

7. We recommend that each M.Y.F. Council have two representatives of the community, a mother and father, to act as counsellors for the boys and girls.

8. We feel that a teacher who has fallen into the sin of adultery should not continue teaching.

9. We urge that each local church have a Benevolence Budget to help meet local needs.

10. We strongly urge that the District Superintendents and Pastors teach and train

the people of the Circuits to cooperate in Building strong Boarding Schools for Standard four and up.

2 The African Missionry Society

The report of the African Missionary Society in Chikwizo Reserve this year is similar to that given at the last Conference, nevertheless, some new developments have taken place.

Nyamuurashe Station: This is one of our preaching places, there is no school this year at this place, but plans are being made to put up a pole and mud building which can also be used as a church. We pray and hope that before the end of the year it will have been completed and that at the beginning of 1955 it can be used.

The new Chief Nyakuringa is greatly interested in this program and is urging the people to carry on the work. At Rukwadzano which was held at Mudzonga's Station recently this year one person told me that he wanted to teach. I told him of Nyamuushena and he agreed to come and carry on with the teaching when needed.

Nyamande Station: This is the place where Lucia Gamba used to teach and preach. At the end of the first term she went home and did not

come back because she decided to get married. She continues to preach on Sundays. Sometimes the people of that station worship with us at Chikwizo, and a good number of children from Nyamande come to school. Our prayer is that we get some one to take up her work.

Nyakatewetewe: This is also one of our preaching places where we send some to preach God's word and sometimes I go there myself.

This place is also talking about erecting a church and school, but haven't yet decided on a site.

Nyagumbo Preaching Place: This is the new site. Here we have two men, Fianda Mubatapasi and Robinson Chibuura both from Chikwizo Reserve. These men are leaders. Fianda tries to teach boys and girls how to read and write while Robinson preaches on Sunday. There isn't a school building at that spot, but the people are also planning to have one in the near future.

Mukota Reserve: This is the Northern section of Chikwizo, about 40 miles across. We have an Evangelist there by the name of William Chingwene. I do not often visit Mukota, but William is preaching Christ and His Kingdom to those people who are in great darkness. They need our prayers very much. William does not only preach, but also teaches in the class room, although some of his children have left him to go to a Catholic Mission school where they think they can obtain better education. William is not dis-

couraged, but is still working with those who are still there and asks the Society to send a better leader to help the work. So when we pray for the people at Chikwizo let's not forget those people in Mkota Reserve who do not know the Lord whom we worship.

Chikwidzo Mission: The Church Work. Our church is not composed of those old solid Christians as we often see in some of our churches elsewhere, but of many young people. The large number are probationers. On Sunday sometimes the attendance comes up two or three hundred and sometimes even more. Last year we were visited by Baba Murphree, Rev. Muzorewa and Rev. Nyamukapa. Their visit was of great help to many souls, especially to the young people who are still with us and we praise the Lord for that.

The Sunday School is bringing souls to Christ. We thank the Lord for those who have given themselves to preach Christ and His Kingdom through the Sunday School.

The MYF is also doing its work among boys and girls, including those who do not come to school. The leaders of this movement are Miss Esnath Kanhanda and Lillian Musakasa.

The Rukwadzano under the leadership of Mai Gurupira is bringing women to it and to Christ. About 18 women are members. The women from Chikwizo who attended the Rukwadzano meeting at Mudzonga this year, seeing over

4,000 people, chiefly women shook their heads and said, "We thought we were few not knowing that we like sand and leaves when we get together."

The Hospital: We were very fortunate in getting a nurse this year from Washburn Memorial Hospital, Nyadiri Mission, Maud Chiripanyanga who gave herself to work at Chikwizo with the help of Sister Jones and in answer to the prayers of the people. Maud is doing a very good work though the number of people treated are few.

One heathen woman, when she heard that there was a nurse at the Mission, said, "We have now a good reason to do away with our false drugs and fetishes."

The School Work. Beside my pastoral work, I teach because we could not get another qualified teacher. The number of children in school is about one hundred, most of whom are in Sub. A and B.

The members of the school are: Mrs. Loveness Nkomo, Miss Esnath Kanhanda from Chitimbe Station in Uzumba Reserve and myself.

The water supply this year is scarce. At present we are only using two wells and we do not know if there will be enough water until the next rainy season.

We have made an application by the help of the District Superintendent to the N. C. Mtoko for 50 more acres of land and we are still waiting for an answer.

In ending this report Chikwizo needs an Evangelist and if the land is granted to build

again and to establish a small school in the preaching places will try to get the teachers needed. May the Lord help those who have heard this report and want to do something about it.

3 The Methodist Historical Society

The Society has continued its work throughout the year in research and the tabulating of the facts of history as related to our missionary work. Several visits have been made to the Central African Archives and valuable material has been secured. Several historical pictures have been reprinted and framed.

The framed Exhibit prepared for the Umtali Municipality is now ready after considerable delay in getting the plan of the old site retraced. It will soon be placed in the Municipal Buildings. When space at Old Umtali is available for such an Exhibit it is essential that a duplicate one be made available.

Assistance was given last January to the Federal Film Unit in the filming of the old and new sites of Umtali. Considerable of our material was used.

The material in the Archives is now being stored in a room at Wesley House, Umtali. It should be housed in a more convenient place and a more

adequate system for filing must be provided as soon as possible. Of course that calls for finances and there are none available at present.

It is the plan during this coming year to start the final draft of the history of the old site and the new with information concerning the moving as well as that of the personalities taking part. This should give a clear picture to our historic background.

Also, some one of the Conference should undertake the necessary research work of the work at Mrewa, Mtoko, and Nyadiri. Material is available in the Archives of Central Africa and the Archivist has already gone through most of the files. The life stories of Dr. Gurney and Mr. Greeley have not been written and should not be delayed much longer.

The Mother Hughes must be brought up to date and the Kansas side of her life recorded. It is one of the most fascinating stories ever known in Christian faith and missionary efforts. We should make in every way the Maternity

The African women were like a loved, but hidden vessel. Hostpital at Mutambara a last ing memorial to her memory.

The following officers of the Society are nominated for the coming Conference year:

President, Rev. H. I. James
Vice Pres. Rev. Titus Maranke
Sec. Archivist, E. L. Sells
Members of the Committee,
Rev. G. A. Roberts, J. Chimba-
dzwa, O. Musingwini and Miss
M. Deyo.

4 Rukwadzano North Report

Bishop Booth and all members of Conference. We do thank God for this privilege, to give this little report of our work.

We thank God for His work through our tongue, hands, and feet to bring many friends to Christ. Many of our women have been faithful in using their feet, hands, and tongues to help those in need.

Help To The Local Church

The Rukwadzano has used its' hands working for the Churches. In some places they have given of their money. Mrewa Centre gave £10. for repairing the Church, and £4. for the Salisbury Church. Mrewa North Circuit gave £15. to buy Asbestos for their Church. One woman gave 14s. to buy a bell for the Church.

Help To The Sick And Dead

Rukwadzano is doing much in helping the sick and those who lose their loved ones; they go to help in fields and in their homes, some have given money to those who need much help. Nyadiri Eastern circuit gave 15/- to a blind family. Salisbury gave 4- 4- 6 to help those

in need in the Salisbury Hospital. Nyamuzue Circuit gave a lorry load of Pumpkins to the lepor camps, and Nyamuzue clinic for the patients at Citimbe the women helped to build the clinic.

Rukwadzano is helping in building the two clinics opened in the Nyadiri district. At Maramba the Rukwadzano helped to buy cement for the clinic; at Citimbe the women helped to build the clinic.

Rukwadzano Annual Conference Held at Mudzonga Mtoko District, July 29-Aug. 1 1954.

God's blessing was felt in every heart during our Rukwadzano meetings; we do thank God for His presence there. Many people received Christ as their Saviour and many were strengthened. The number of women present were 72. Those who took Lords supper were 4,581. People present in the church on Sunday were 1,022. Those who said were saved 38. We do thank God for His blessings through all this last year. In our Annual Conference we collected 14 - 0 - 0 for Salisbury Church.

We pray that God lead will us day by day to do His will and help many to know Him.

4 Rukwadzano South Report

It is known to be true that vessels not used are in danger of being eaten by ants; and that an idle brain is the devil's workshop.

sel in many ways. Once we listened with great interest and surprise when some of our old pastors' wives said, "It is not easy for a pastor's wife to go to Quarterly Conference." The husbands (pastors) would say, "Who will take care of the chickens?" One said one time she wished so much to go to Quarterly Conference she carried the chickens and their food to the meeting. Another said she had to hire a boy to look after the chickens for her until she returned from the Conference and had to pay him herself. The Lord helped us to be humble and to serve.

Bishop Booth and Members, I have the pleasure of presenting my report which covers the period from August 1953 to August 1954 and is a review of the work accomplished during that period.

The sphere of activities which engage and demand our attention covers a very wide field. Since the last report much good work has been done and however small success may have rewarded our efforts it is an incentive to urge us forward to greater achievement. In this regard due credit should be accorded to the work of the branches and the work of sectional committees which continue to maintain a very high standard.

REPORTS FROM THE BRANCHES

The Citenderano or Ciduku raised £6 by carrying water on their heads to make bricks and burn the bricks.

Nyanyadzi gave help to the sick every now and then at

their Nyanyadzi Clinic. A sick widow was helped by giving food to her. They gave all the help they could to a teacher's family whose house and three children were consumed by a fire. They gave clothing to a woman who had nothing. Three women decided to become Christians at one of their meetings. There are 42 members.

Gandanzara visited their clinic every other week to see the patients. Help of work in the gardens, firewood, mealie meal, was given to twenty widows. In helping the poor, three were given clothing. Some of the members were sent to sympathize with Baba and Mai Chimbadzwa and Mai Mandizera. Each station went to their Ishe to give help in the gardens and to pray with them. There are 302 members.

Umtali visited the patients at the hospital every month, gave the needy a little help in money. Help was given to a husband and wife from Chipinga who had no relatives. The husband was cared for in one of the Member's homes while the wife was in the hospital for about a week. Others gave food to that home. Widows are helped by giving them ufu.

Chakohwa gave five shillings to the death of an old Mbuya, five shillings at the death of two children and one and a half bags of mealies to a family whose home was destroyed by lightening. Wood was given to the old people three times; work in the gardens five times. They sent 4 girls to the M.Y.F. Institute

and £2 for the church building. There are 45 members.

Muziti gave help to old people, sick people, widows and widowers. Twenty-four women went to the Bible School during the past three years. Three are 55 members.

Mutambara East: Help was given in the field of a lame man, and a blind man. Food was given to a family who had their house burned. Clothes and food was given to the three whose minds are not normal. The amount of £9-9-7 was given to the school building at Nhadziwa and £5 toward the church building at Nyambeya.

Nyakatsapa: It is a joy to welcome missionaries when they come to language school. Sometimes we have brought ufu, muriwo and eggs. A help of money was given to twins; food for a family in need of ufu, muriwo and wood for the patients at the clinic.

Zimunya South: More than eighty times we went to pray with the people in their homes—two by two. Forty times we gave help in field work to the old, sick, and widows. £6 was spent for deaths in our neighborhood. £2 was given to a blind visitor. £25 was spent for the new floor for the Chitora Church. £5 is being collected towards the Darembge Church building. £12 is on hand towards the floor for the Munyarari Church. We have a good number of older women who have joined the Church. It is true in every circuit as you can see that in every church the number of women is becoming

greater than the men.

Mutambara Centre: They have given wood to old chiefs' wives, four yards of material to an old chiefs' daughter, four tins of mealies to an old woman in need, a bag of mealies to a woman who had her food burned, a bag of mealies to a family from Nyasaland when the husband was sick.

Several times we went to pray with the chief and his wife, and were warmly welcomed. Once we went to sympathize with a European family who lost their child, taking some eggs as a kindness. We asked to pray with them. After singing, "What a Friend We Have in Jesus", we repeated St. John 14:1. We prayed to our heavenly Father to comfort them.

We visited a boy from Sana who was sick at our dispensary, bringing food for him until he passed away. Before he passed away he thanked God for the mothers.

Annual Convention: The Annual Convention was held August 5 - 8. Baba Kawadza quoted from the Old and new Testaments. Though he does not speak very well in words, what he is speaks louder than what he says. "I came that they may have life and have it abundantly". When he spoke of war between Makoni and Mtasa there was no one to dispute him as he is the only remaining one. There were about ten chiefs representatives. There were members from about six denominations. For all of this we praise the Lord our Saviour who had made it possible for us to be

one as His prayer was, "That they may be one."

We are thankful to Miss Tubbs for bringing her loud speaker to the meetings. We were so jealous about money spent for some things of little value sold at our Convention that we made a special invitation to the Literature Department to come with Bibles and hymns and other helpful books.

Our organizer Mrs. M. J. Murphree, as the chairwoman introduced her to the congregation, is the one who organized the Rukwadzano and made it what it is now. We feel that we owe much gratitude to God through her. When she spoke she taught a very good lesson of how we should be more responsible to our own children and our hearts asked the Lord for help and strength to do our duty. The young people were taken care of by Mufundis Ball and three other helpers, from Friday to Saturday.

Chief Makoni came on Saturday with a warm welcome to us all. He thanked the missionaries who brought the word of God which has brought these people to what they are now. Mostly he thanked our Methodist Church. He said he hates beer and from the day he was made chief he ordered his people not to drink beer. We all admire him and wish our Father to hasten the days when we shall have several such chiefs.

£8 was spent among the lame and blind people who were at our Convention. £5 were given to our orphans. At Old Umtali £4-0-6 was given

towards the Salisbury Church.

Holy Communion: Our hearts were called to quietness and meditation by Dr. M. J. Murphree when he spoke of the power that came through Jesus' death. This power has made it possible for African chiefs to come together. Long ago they would come together only to fight. We could feel this redemptive power. There were 1,941 served at Lords Supper. There were about 10,789 gathered together.

"May Jesus the great Friend of all go with us through all the days to guide us in all we think or say or do." Amen (from Guides prayer)
